EXTERNAL MEMORANDUM

DATE : April 30th, 2020.
TO : SCI Staff & Customers.
CC : SCI Website & Social Media
FROM : SCI – CEO, David Plummer
SUBJECT : **COVID-19 Pandemic (8).**

Dear All,

We are pleased to confirm that we have received permission from the Ministry of International Trade & Industry to resume limited operations at our factories.

If your projects have also received MITI approval please contact your local SCI sales/logistics personnel to make the necessary arrangements for deliveries from inventory.

Our staff will be complying with the required health & procedural SOP's and will require copy of your approval.

We look forward to working with your team as our economy progressively reverts to business.

Company updates will continue to be circulated by e-mail & are also available on our LinkedIn page & the SCI Website.

Thank you for your support.
