### Update #3.

As you know the Government has announced on the 25<sup>th</sup> of March that the Movement Control Order issued on 25<sup>th</sup> March 2020 will be extended to 14<sup>th</sup> April 2020. Assuming that there are no further directives from the Government Speed Concrete Industries will resume business on 15<sup>th</sup> April 2020 (Wednesday).

Sales and Design staff can be contacted as usual. We will continue to accept Purchase Orders, Submit Approvals and provide Designs to ensure a prompt return to business as usual when permitted by the Government.

In the lead up to the resumption of business our Sales & Logistics Teams will be contacting job sites & customers to obtain updated delivery schedules & ensure that we can all return to 'busy as usual' as soon as possible.
